RE: Notification of Intent to Comply With the Site-Specific Alternative to Initiation of Closure
Due to Permanent Cessation of Coal-Fired Boilers

Dear Mr. Howard:

As per 40 CFR 257.106(i)(18), Intermountain Power Service Corporation (IPSC) is providing notification of its intent to comply with the site-specific alternative to initiation of closure due to permanent cessation of coal-fired boilers under 40 CFR 257.103(f)(2) for the CCR impoundments at the Intermountain Generating Facility.

This report was placed in IPSC's CCR Operating Record and uploaded to IPSC's website (www.ipsc.com) on November 30, 2020. This notice, and the report, are provided pursuant to recent amendments to the federal CCR rule and follow IPSC's September 12, 2018 Notice of Intent to Comply with the Alternative Closure Requirements under the prior version of the federal rule.

If you have any questions or comments, please contact Mike Utley at (435) 864-6489, or by e-mail at mike.utley@ipsc.com.

Cordially,

Jon A. Finlinson
President and Chief Operations Officer
